Ami Portable

Designed by Thomas Albertsen

Named after the French word for “friend,” Ami is more than just a lamp. It’s a familiar presence, a sense of warmth you can carry with you. Designed by Thomas Albertsen, Ami’s inviting shape and soft, directional light make it a steadfast companion, offering comfort whether at home or out in the world. With Ami, light becomes personal, a gentle reassurance by your side in any environment, from bedside to the beach, park, or garden.

The three-stage dimmable ONE light source adapts to your mood, creating an atmosphere that’s yours to control - be it for an intimate evening, a quiet moment of focus, or even a lively outdoor gathering due to its IP44 treatment.

About the Designer

Graduating from the prestigious Danish Design Academy in 2007, Thomas Albertsen’s creative genius has spanned a wide spectrum, from crafting imaginative children’s furniture to illuminating interiors with his distinctive lighting designs.

Albertsen’s hallmark is his unwavering commitment to infusing simplicity with an unforgettable yet playful character. The result is a portfolio of designs that not only captivates but also redefines the pure essence of living - a combination which is sure to widen the popularity of this home grown talent in the years to come. In 2024, Albertsen’s Grasp design won the Danish Design Favourite of the Year and Lamp of the Year.
