

TOTTORI

Kateryna Sokolova,

Tottori is a seating and coffee tables collection with timeless shapes, cute silhouette and bold character. Called after the Japanese animation film "My Neighbor Totoro", written and directed by Hayao Miyazaki, the Tottori furniture collection has a friendly and soft silhouette that brings a cozy mood in the house.

Armchair. The seat is characterized by soft, rounded shapes that emphasise the seat, backrest and legs whose generous diameter determines the distinctive appearance of the entire collection. It is entirely made by moulding in medium density flexible polyurethane with structural metal insert, PE feet for ground support. The upholstery is fixed and can be chosen in leather or fabric (contact the sales office for information on fabrics or leathers). Tottori seating collection offers the opportunity to customize the individual elements through a wide choice of different fabrics and / or leathers. In fact, the customization involves the combination of different materials for the legs with respect to those of the seat and back. For these special combinations it is necessary to contact our sales department. Indoor use only.
