

COMMON CORD SET

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection
- A flexible lighting accessory designed to be used with a standard LED E27 bulb
- Available in two variants – a table and pendant cord set
- The table variant is available in black and white, and the pendant comes in a variety of different colours
- The cord sets can be combined with various non-electrical HAY shades
- CE approved
- Suitable for both private and office environments
- For indoor use only

COMMON CORD SET DESIGN BY HAY

The Common Cord Set is a versatile cord set with components in matching colours. Available in two variants – for pendants and table lamps – the set is compatible with numerous HAY shades and can also be used alone with an E27 bulb. Both models are available in numerous colour options to create a functional and colourful lighting solution. Please note that bulbs are not included.

Common Pendant Cord Set

COMMON PENDANT CORD SET

MATERIALS

BULB HOLDER
