TOE CHAIR

A tribute to 70s futuristic design and space age, Toe is a lounge chair with expressive aesthetics and high seating comfort. Characterized by a sculptural approach to furniture design, the Toe Chair has a thick fluted upholstery running from seat to back, creating a linear and voluminous shape. The open chair form gives a free and easy seating experience, while the special combination of different kinds of foam ensures an overall high seating comfort.

Toe Chair is available in seven different upholstery variations. Linen Chalk with a natural and textured look. Bouclé adding a chic and tactile feeling with three color options; Off White, Deep Taupe and Smoked Sand. Off-white Sheepskin for a soft and luxurious feeling, Sunproof Taupe for stains, sunlight and water resistant use and Nubuck Leather made from exquisite Italian Nubuck Leather, crafted with meticulous attention to details, exuding a sense of elegance with its velvety texture and supple feel.
