

FRITZ HANSEN

AQ01™
PRODUCT FACT SHEET

AQ01™

The AQ01™ offers a fresh take on the classic architect's desk light. Distinguished by its delicate lines and matt finish, the light offers a refined elegance and genius utility. Technology allows AQ01's shade to be switched on and off, or dimmed up and down, with the touch of a hand on the lamp's shade. The lamp is a minimal task light with great adjustability.

DESIGNER / YEAR OF DESIGN

Anne Qvist, 2017

DESIGNER

Anne Qvist's design expresses a sense of pragmatism combined with respect for both craftsmanship and context. She believes in changeability and diversity, and emphasizes design that is able to enter many different contexts with a high level of usability, functionality and humanity. She categorizes design in a larger context, where it takes on new meaning and has the ability to enact change.
