

Track Outdoor series

Designed by Studio Nooi, Italy

Enjoy the luxurious life outside with the Track sofa. Built with a solid, linear metal frame containing soft, upholstered cushions that invite you to sit back and relax. A refined feature of the design are the armrests, elegantly handwoven with a cord – covering the metal which can feel cold or hot to the touch while adding a light and airy feel that creates beautiful shadows in the sunlight. All fabric covers are removable with zippers, allowing you to freshen up your sofa as often as you wish to, and all cushions are made of durable outdoor materials and can be easily stored away during winter. The Track Outdoor series is designed to merge perfectly with the rest of our Outdoor Collection for beautiful and coherent outdoor spaces.

Meet the designer

Studio Nooi was founded by Giulia Pesce and Ruggero Bastita in Torino, Italy. Giulia and Ruggero built their approach to design while studying and working as designers in Italy and Denmark. Nooi derives from the Italian word “noi”, meaning “us” – the idea being that design is never an individual act but rather a collaborative process, involving designers, companies, users, artisans and technicians. Nooi’s designs are always the result of good cooperation between people and influenced by society, art, nature and cultural heritage, and the designers are closely involved at every stage of the project development.
