

LOROSAE TABLE

Álvaro Siza

Inspired by a trip by Álvaro Siza to East Timor, area of a Portuguese colony in East Asia known as Timor Loro Sae, Lorosae denotes the place where the sun rises. Through the translucent glass in different pure and brilliant finishes, Lorosae battery lamp is a rechargeable, battery-powered design that spreads a diffused light and expresses a direct connection to the country, its culture and geographical location.

BATTERY LED

LAMPING

Source	LED board
Total power	3,6W
Emission	diffused
Switching	dimnable touch on board
Tension	5V
Color temperature	2700K
Luminous flux	380lm
Typ CRI	90
IP class	54
Dimensions	Ø20cm
Materials	glass
Notes	equipped with USB-C socket, cable included, rechargeable, min 5h MAX 15h battery life, 4,5h charging time

Codes
