KNIT-WIT LED MODULE PENDANTS ONLY

Though knitting is an old craft, it hasn't yet been exploited for modern design lamps, and this was the fundamental aspiration for Made by Hand. The knitted materiality of the Knit-Wit lamp distributes light through the yarn's pattern, making each lamp distinctive and decorative. The Knit-Wit family of lamps with their basic shape, warmth and lightness, range of sizes and wide color palette can easily and naturally find their place in any interior – from private houses to public spaces.

KNIT-WIT YARN INFO

The Knit-wit lamp is 3D-knitted very sustainable in Austria on old knitting machines with no waste in the production. Its made to measure. The knitting company in Austria is running on solar power panels on the roof and on a power plant in the local river ensuring a Sustainable Production of KNIT-WIT lamp. The polyester yarn used for the 3D knitted shade is made very sustainable of granulated plastic bottles and the colouring of the yarns are done locally too in Austria. The knitted shades are shipped in boxes to Copenhagen, and each Knit-wit lamp is assembled by hand in our warehouse before distributed to clients.

Max 60W

Weight (incl. packaging)

4,7 kg

Country of Origin

Denmark

Warranty

2 years

Cleaning and care

Remove wet stains by carefully dabbing with a lint-free cloth or sponge wrung in warm, detergent-free water. For persistent stains, use a powder-based cleaning product. Damage caused by stain removers and cleaners are not covered by the Made by Hand warranty.

Bulb not included.

Amature measurements
Ø65 x H130 cm

Packagning measurements
L65 x W65 x H89 cm
