PETITE MACHINE TABLE

The Petite Machine series is a family of table, floor, wall and ceiling lamps. They are suitable for decorating all kinds of rooms and meet all lighting needs. The inspiration for the Petite Machine is about playing with movement and distances between the two circular meetings of the tube and the mounting. The design is also strongly inspired by lamp design of the 1930s and 1950s. The color palette is inspired by the 1950's but with a reference to the clarity of contemporary colors. The Petite Machine collection is manufactured by Made By Hand in Denmark, with the utmost attention to detailing and finish.

Flemming Lindholdt
Designer, Petite Machine

Royal Blue

Description

Powder coated steel shade and base. Polished tube and details in brass. Comes with 1,8 meter cord

Design

Studio Flemming Lindholdt, 2014

Functions

Lamp shade turns 180 degrees
Pipe turns 90 degrees

Measurements

H52 x W33 cm
Shade: Ø20,7 x H6 cm
Base: Ø21,1 x H2,3 cm

CE-Certified
IP20, E14 Socket, max 40W

Packaging Measurements

L30 x W39 x H57 cm

Weight (incl. packaging)

5,9 kg

Production

Made in Denmark

Country of Origin

Denmark

Warranty

2 years

Cleaning and care

Regularly dust the lamp with a soft, dry cloth to remove surface dust and debris. For stubborn dirt or fingerprints, lightly dampen the cloth with water and mild soap, then gently wipe the surface clean. Avoid abrasive cleaners or harsh chemicals that may damage the powder-coated finish.

Brass Maintenance:

Brass components, such as pipes and fittings, may develop a natural patina over time due to exposure to air and moisture. To maintain the luster and shine of brass, periodically polish the surfaces with a brass cleaner or a mixture of lemon juice and baking soda.

Bulb not included.

H52 x W33 cm

L30 x W39 x H57 cm

Topview: The shade turns 180°

Top view: The pipe turns 90°
