

Dover series

Designed by Bolia Design Team, Denmark

Organic soft shapes and rounded curves meet the sleek structure and streamlined silhouettes of the 1950s era. Elegant, tapered peg legs in FSC® certified oak carry the chair's substantial centre in an effortless and timeless manner making it easy to pair with most sofas. Maximum comfort in seat and armrests makes for a relaxing experience, whether with a book, hot drink, or snack in hand.

Meet the designer

We believe that good design is not only about what you see but also about how it is created and the emotions it stirs. Rooted in Scandinavian design traditions, a liberal view of human nature and respect for nature and people, we always stand by our core values – also in our designs. We love functional design, natural materials, beautiful rooms, craftsmanship, durability and substance. Design that is tailored specifically for you and made to last for years.
