

## Fenri series

Designed by Henrik Sørig Thomsen, Denmark

---

Made by hand from solid oak with a form-pressed seat and optional cushion, Fenri embodies modern craftsmanship. Rooted in enduring values and the belief that furniture should be made to support human actions – Henrik Sørig has designed the chair with an intentionally understated look with few, beautifully crafted details in focus. Keeping the amount of materials used to a minimum too.

### Meet the designer

I am a passionate and dedicated designer. I simply love my job. I love working with design objects that supports our senses. The designs we surround ourselves with everyday, must be able to support our everyday lives. A good design helps you on a daily basis, without you ever thinking about it.
