“It all started in 1968 when Benny Frandsen began designing lamps in his basement. That same year, he designed the Ball pendants and magnetic wall lamps, which Frandsen still produce to this day as one of the collection’s bestselling series.

Benny Frandsen has won numerous international design awards for his lamp designs over the years and is known for his graphic shapes and inspiring attitude. In 2018, Benny Frandsen celebrated his 50th anniversary.”
