## **Construction Lamp L**

by Joost van Bleiswijk

Inspired by the vast number of combinations possible with the tools and bolts present in his giant workshop, Joost van Bleiswijk started playing with them and ended up constructing and creating a new, exciting design!

**Designer** Joost van Bleiswijk

Year of design 2012

Material Die cast powdercoated aluminium, wooden version with wood slats.

Additional Constructed with brass screws

# m o o i

### packaging

H 202 cm | 79.5" W 102 cm | 40.2" D 102 cm | 40,2"

Colli I/I

product weight: 16 KG | 35.3 lb

with packaging: 48 KG | 105.8 lb

### cleaning instructions

Can be effectively cleaned using a regular household dust cloth or feather duster. Lightly dust inbetween each component when the lamps are not in use. Moooi recommends always reading the label of any cleaning products you wish to use on or near any item from the Moooi collection. For further information on how to clean this product please contact your nearest Moooi agent or dealer which can be located through our website.
