COLLECTION OF LIGHTINGS

LONG. TALL. JAZZY.

Natascha Madeiski's ceramic lights series "Flaming Stars" is a lively mashup of Memphis design with Memphis music - hence the product names of Elvis' greatest hits. The second meaning of Memphis is quoted by the decoration: Various colored objects or random findings represent the notorious Eighties' design movement from Milan, each one a unique foundling of creative synergy (A special edition is held in glazed silver/platin tones).

CARE INSTRUCTIONS

Regular cleaning and maintenance is important in order to keep your pulpo product looking its best and to prolong its life. Always remove any kind of dirt as soon as possible. We recommend that you first test a small, invisible area to ensure that no colour change or damage arises to the product. Do not use materials for maintenance that contain abrasive agents or are basic, acid or organic.

CERAMIC CLEANING

For dusting and light cleaning of ceramic use a soft, dry cloth. For further cleaning gently wipe the surface with a soft cloth wrung in clean warm water. Dry immediately afterwards with a soft, dry and clean cloth.
