

TOTTORI

Kateryna Sokolova,

Tables in two different sizes. The distinctive features of these small tables are the soft, rounded shape of the MDF top with a shaped edge, and by the generous diameter of the turned solid wood legs. The finish is a glossy lacquer proposed in three shades. Indoor use only.

Table with top made of mdf with shaped edge to "soap" and rounded corners, legs in solid wood with the part of the ground rounded half-sphere, steel structure glossy lacquered finish black color. Indoor use only.
